

Basil

With an initial, subtle peppery flavor, may taste somewhat like anise, with a strong, pungent, often sweet smell.

Rosemary

The taste is piney, but also bitter and somewhat astringent. The aroma is tea-like, with a fragrance similar to charred wood.

Thyme

It's flavor is very earthy and a little bit sweet, with a slightly minty taste. Warm, peppery undertones add depth to the overall flavor profile of this herb

Fresh Peppermint

Infused in creamy chocolate ganache, the flavor is deep, crisp and refreshing

Cilantro / Coriander

Chinese Parsley, the cilantro leaf has a tart lemon/lime taste, with seed like fruit called Coriander.

Anise

A heart shaped herb packing a hint of sweet licorice, Native to Middle-East and Mediterranean region.
